How Students Can Access Microsoft Online
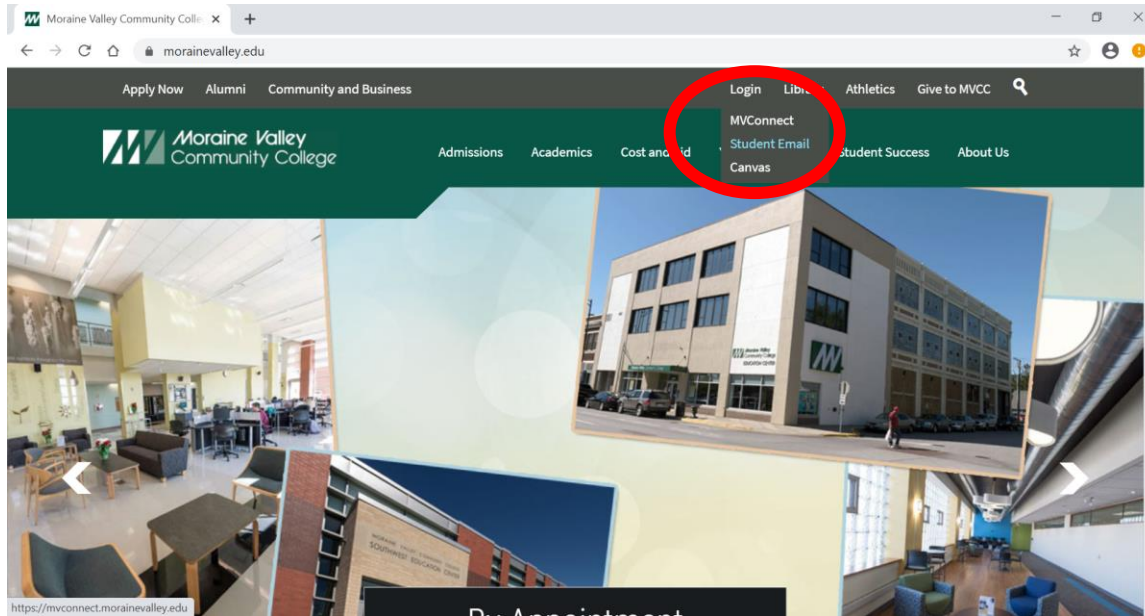

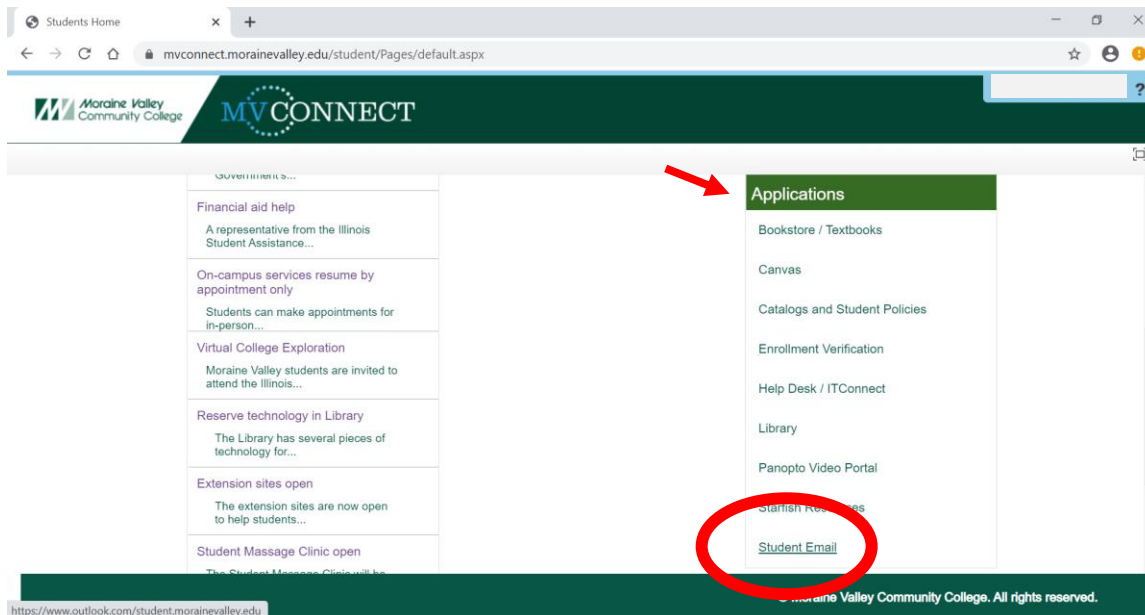

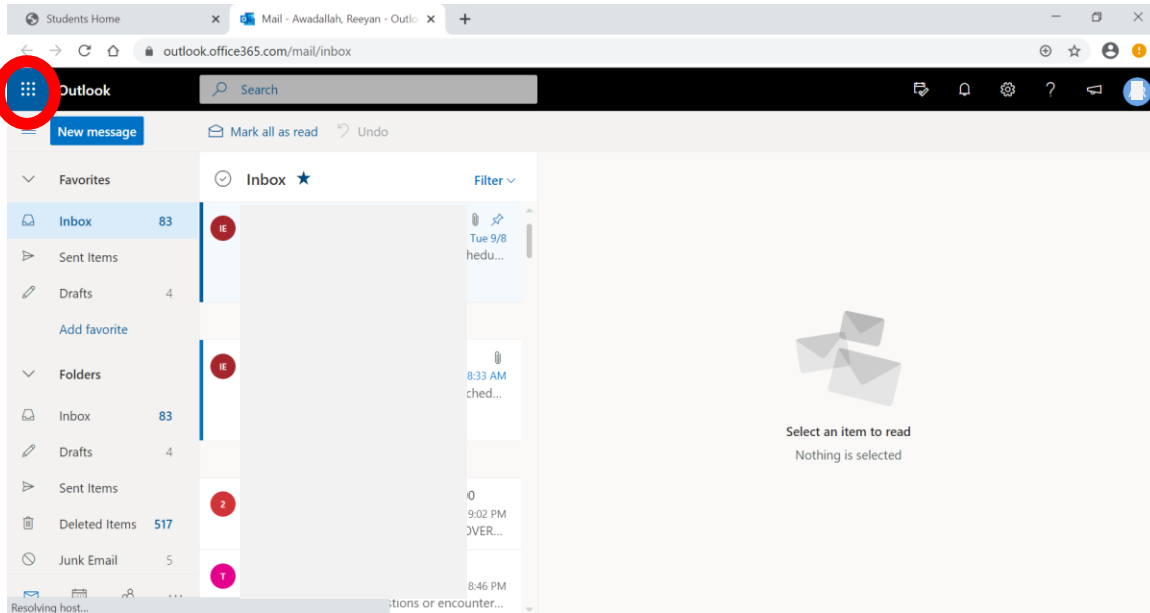

1) Starting at Moraine Valley Community College's website, at the top of the page click Login. Then click **Student Email.** The student will then login to their Moraine Valley account.

2) Then go to **Applications** and click on **Student Email**.

3) In the top left corner of **Outlook**, click on the white dots. That is called the **App launcher**.

4) A menu with Microsoft apps will appear, click on the app/ program that is needed.
