

Credits

Moraine Valley's One Book, One College is an interdisciplinary, public program sponsored by the Moraine Valley Library and the Moraine Valley Bookstore. It is intended to foster scholarly discussion among students, faculty, staff, and the public centering on the themes of a single book. All members of the larger Moraine Valley community are invited to participate.

The Library and Bookstore would like to thank all members of the Moraine Valley community who are working to make this project possible.
