Latino Americans

For the 2015-2016 academic year, the [Moraine Valley Library](#) and [Moraine Valley's Democracy Commitment](#) are partnering on a series of events Celebrating Latino Americans. This series of programming will connect with our local, regional, and national communities focusing on Latino culture and history as well as issues connecting with the upcoming presidential elections in 2016. This is an opportunity for Moraine Valley to enrich our curriculum and celebrate our community.

As part of this program, we are excited to be partnering with the following organizations:

- [Green Public Library District](#)
- [Blue Island Public Library](#)
- [Instituto Del Progreso Latino](#)
- [El Centro, Northeastern Illinois University](#)
- [Illinois Coalition for Immigrant and Refugee Rights](#)
