***Sexual violence occurs on college campuses across the country: more than twenty percent of women and five percent of men are assaulted as students.***

Annie E. Clark and Andrea L. Pino ♦s [We Believe You: Survivors of Campus Sexual Assault Speak Out](#) is part of a growing movement attempting to bring attention to this crisis on our college campuses.

## Next Event

### **Sexual Violence in America's 20th Century**

*Thursday, Feb 22, 11am-12:15pm, Building L, Library Lounge*

Sexual violence has been an often present and yet often little recognized component of American history. Associate Professor Josh Fulton examines the role gender has played in the American story in the 20th century, and how prevalent sexual violence was throughout key periods in this time in America--from the 'Jazz Age,' the Jim Crow South, the Great Depression, World War II, and beyond.

## Videos and Podcasts
