Faculty and Staff Services

ECBI and SWEC and main campus holds and pick-up

Students and faculty can arrange for delivery of books, videos, and other items to our education centers or place holds for pick-up at the main campus. Search the Library Catalog for your item & click "request it" button, login and select where you want to pick up the item. Detailed instructions <http://lib.morainevalley.edu/public/handouts/holdsinstructions2018.pdf> Requests can also be phoned into the circulation desk at (708) 974-5235.

Instruction and Information Literacy Support

Whether online, ECBI, SWEC or the main campus, librarians work with you to create individualized instruction sessions and learning tools for your classes and programs including:

- Planning research assignments:
<http://lib.morainevalley.edu/guides/librarysessions.html>
- Developing Information literacy, digital literacy, and media literacy instruction sessions, activities, and resources
- Citation sessions and support
<http://lib.morainevalley.edu/Guides/CitingSources.html>
- Copyright help for students and faculty
- Creating customized online instructional resources
- Help linking the library's streaming video or other e-content into your course pages

At the reference desk, librarians provide ongoing support for students at any stage in the research process.

To schedule instruction sessions or other support contact the Reference Desk at (708) 974-5234 or schedule sessions online at <http://lib.morainevalley.edu/LibServices/InstructionCalendar.html>

Media Project Support

Faculty may request a librarian led instruction session on our tools and software in the multimedia lab, and librarians are available to collaborate on creating a media project for students. The multimedia lab has 9 computers with video, audio, and image editing software. The library also has multimedia equipment [including wireless microphones] for creating videos and podcasts on reserve and available for checkout. Students may reserve time in the multimedia lab in advance through the website at <http://lib.morainevalley.edu/LibServices/SelfSchedule.html> .

Contact Daniel Matthews, Digital Services Librarian with any questions:

Online Resources

The Chronicle of Higher Education premium content is available on campus through our Faculty & Staff page:
<http://lib.morainevalley.edu/LibServices/FacultyStaff.html>

Online databases, streaming video e-books and audio e-books can be used on or off campus. Find them through our Research Tools Page <http://lib.morainevalley.edu/Main/Research.html> and our online catalog. Most databases allow you to create links to specific articles and videos for class reading video assignments. Librarians are available to teach you and your students about databases and/or e-books or help you with creating online course links. Access to online resources requires logging in with MVCC user name and password.

Collection Development

We encourage faculty input and recommendations for new materials in the collection. Please fill out our online form at <http://lib.morainevalley.edu/libservices/Ordering.html> or contact a librarian if there is an item you would like added to the collection.

Contact: Joe Mullarkey, Collection Management Librarian – (708) 974-5293 or mullarkeyj@morainevalley.edu

Reserves

The library's circulation desk holds materials (books, videos, media equipment, calculators, etc.) with a limited check-out time. Search the library's catalog (<http://encore.morainevalley.edu>) to find titles on reserve for specific courses. Visit the Circulation Desk to place any items on reserve, (708) 974-5235.

Interlibrary Loan and Reciprocal Borrowing (<http://lib.morainevalley.edu/Departments/InterlibraryLoan.html>)

Borrow books, articles, and other resources that are not available at the Moraine Valley Library. Use the online form to request materials or directly contact Susan Yach – (708) 974-5297 or yach@morainevalley.edu. Also on the interlibrary loan page is a list of reciprocal borrowing libraries that will loan books to Moraine Valley faculty, staff, and students with current MVCC IDs.
